Contract PE Operational Guidance

Contract PE Definitions

Contract PE is a supplemental course that allows students who currently have a full academic schedule for both semesters to fulfil their PE classroom requirement.

A student is considered to have a *full academic schedule when it is filled with academic courses without any periods of release. For the purposes of identifying whether or not a student has a full academic schedule, travel periods are considered academic courses.

Criteria to Enroll

12th grade students are eligible to enroll in Contract PE for 1 semester of their senior year provided they meet at least one of the following criteria:

- Student is involved in a work study or other educational program that requires the student's absence from school.
- Student is carrying a full academic schedule for the current semester.
- Student is involved in a school-sponsored athletic program or *activity supervised by a staff member with a coaching endorsement.

All other high school students are eligible to enroll in Contract PE provided they meet all of the following criteria:

- Student is carrying a full academic schedule for the current semester.
- Student has no physical education failures to make up from previous years.
